# Closet Re-Organizer Co.

*Making a great place  
out of your space.*

## An Open and Shut Case for More Space

How often is that guest room used for guests? Are two or three nights a year worth reserving a room? Make more use of space you already have with **custom made fold-up wall beds** from Closet Re-organizer Co.

**Get all the sleeping comfort of a conventional bed** while enabling one room to serve many purposes.

**Create space for play and study** in your children's room by using Closet Re-Organizer Co. wall beds.

**Counterbalanced for "Finger Touch"**

## 💡 Room for Everything, and Everything in its Place

### Make Your Dream Come True

Closet Re-Organizer Company creates an ideal, custom designed home organization system for each of our clients.

First we listen to your needs and wishes, then measure the available spaces, then design, build, and install a unique system to address your particular needs.

### Call us for a free in-home consultation.

In nearly every case, we are able to double the effective capacity of your closet while allowing you to keep everything neatly in its place.
